

Parent PartnershipSM

supporting families impacted by addiction

Parent Partnership is a branch of the nonprofit organization, Be a Part of the Conversation.

When parents and other caregivers recognize that their loved one is struggling with substance use or addiction, we need support and understanding from those who have "been in our shoes." Parent Partnership meetings are led by volunteers with lived experience and take place Sunday through Thursday.

Come once, once in a while, or as often as you like.

We are not professionals - we are simply parents helping parents. Meetings are friendly and confidential.

♥ Parent Partnership's Mission

Parent Partnership engages parents, families and caregivers of those impacted by addiction through a network of support groups led by compassionate volunteers with lived experience. Weekly meetings provide access to expert resources and help navigating a healthier path forward for families.

🌍 Parent Partnership's Vision

For families and caregivers touched by addiction to feel understood and supported.
