INFORMATION REQUEST

Dear Mr. Twombly,

As you know, the Northeast Regional Office of the Massachusetts Department of Environmental Protection Wetlands Program (MassDEP), is reviewing this project in response to your request for a Superseding Order of Conditions (SOC). Based on the information included in your request, MassDEP is requesting the following additional information:

1. Formally respond to the Haverhill City Clerk's letter dated December 28, 2021, which concerns the residency of individuals listed on the appeal. (Attached). The response must include proof of residency for the listed signatories included in the appeal. Proof shall include, but is not limited to, statements made sworn under pains and penalties and exhibits that show the individuals receiving mail at the listed residence. For example, documents provided might be a copy of a utility bill, a property tax receipt, a lease agreement, a mortgage or insurance statement, or mail from the local, state, or federal government. The document(s) must be clearly addressed to the named individuals at the residence listed in the appeal or another Haverhill, MA residence. A business address may not be used as a residence. Mail addressed to "resident" or advertisements will not serve as proper documentation of residency. The response to the letter and supportive documents must be mailed to MassDEP.

MassDEP requests that the additional information be submitted **within 14 days** of this request. Please note that failure to respond to this information request letter by the prescribed time period will result in your SOC request being denied/dismissed by MassDEP. MassDEP understands that

This information is available in alternate format. Contact Michelle Waters-Ekanem, Director of Diversity/Civil Rights at 617-292-5751.

more time may be necessary to gather the additional information and will consider any reasonable request for additional time if it is requested prior to the deadline.

Please note that all information submitted to MassDEP must be sent to all the other parties to the appeal at the same time. Therefore, please ensure that the information contained on the documentation provided to prove residency does **not** contain any personally sensitive or protected information (e.g., driver's license number, social security number, account number(s), personal phone number, etc.). While maintaining a clear view of name and residence address, any personally sensitive or protected information should be redacted (or crossed out or otherwise covered or cut out so it's unreadable) so as to avoid inadvertent disclosure.

RE: Appeal letter re: 887 Boston Rd

To Whom it May Concern:

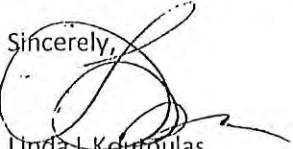

I have been asked to compose a letter concerning the question of residency in Haverhill of signatories of an appeals letter received from Chris Twombly of 49 Vernon St, Haverhill concerning the approved project at 887 Boston Road.

Here are the results of my research of the signatories to this appeal:

- Christopher Twombly, 49 Vernon St – verified
- Jake Hoyle, 60 Washington St – not residential address and no other Haverhill address for Jake Hoyle – not an owner of the address either.
- Joseph Terilli, 96 Margin St – verified
- Jennie Twombly, 49 Vernon St – verified
- Edmund Palen, Jr, 124 Grove St – (appears to be completed by Jennie Twombly but he is listed at that address)
- Kurt Stephan, 61 Charles St – no evidence of his residency
- Kenneth Stephan, 61 Charles St – verified
- Krystle Stephan, 61 Charles St – no evidence of her residency (It appears all Stephan entries done by same person)
- Simone Turcotte, 10 Parkview Ln- verified
- Nicholas Lupoli, 211 River st #4 – not a resident (contacted a resident in that building who verified he does not live there.)

I have based this information on searches done in our street listings, voter registrations and assessor files. The signatories with "verified" are those whose residency was supported by those records.

Sincerely,

Linda L. Koutoulas
Haverhill City Clerk
