

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.allwaysmember.org](http://www.allwaysmember.org) or call Customer Services at 1-866-567-9175 (toll free) or 711 (TTY). Important Questions	Answers	Why this Matters:
<b>What is the overall <u>deductible</u>?</b>	<b>\$500</b> Individual, <b>\$1,000</b> Family per benefit period. For outpatient surgery, inpatient care and emergency services, this plan requires a copayment to be paid prior to the deductible.	Generally, you must pay a copayment and then costs up to the deductible to providers for most services with a deductible. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible has been met.
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. Preventive care, most outpatient visits (including mental/behavioral health and substance use disorder), and urgent care does not apply towards the <u>deductible</u> .	This plan covers some items and services even if you haven't met the annual deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="http://www.allwayshealthpartners.org">www.allwayshealthpartners.org</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. \$100 Individual, \$200 Family for prescription drugs per benefit period. Prescription drug coverage is administered through Express Scripts.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	<b>\$5,000</b> Individual/ <b>\$10,000</b> Family per benefit period.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If family members in this plan, they have to meet their own out-of-pocket limits until family out-of-pocket limit has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. For a list of <u>in-network providers</u> , see <a href="http://www.allwayshealthpartners.org">www.allwayshealthpartners.org</a> or call 1-866-567-9175.	If you use a network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
<b>Do you need a referral to see a <u>specialist</u>?</b>	Yes.	This plan will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have the plan's permission before you see the <u>specialist</u> .

Copayments and coinsurance costs shown in this chart are either before or after your deductible has been met, if a deductible applies.
