RE: Proposed Ballot Question Regarding Ward City Councilors

Dear Madame President and Members of the Haverhill City Council:

Enclosed please find a proposed ballot question to be placed on the ballot for the Tuesday, November 3, 2020 State Election.

This ballot question asked whether or not we should petition the legislature to allow us to change our charter to elect seven Councilors by ward and four Councilors at large. I know the Council is quite familiar with this issue so I need not explain it further.

While there is nothing that would prevent the City Council from voting on this Tuesday night, it is my recommendation that we keep this on file for two weeks in order to allow more public discussion. I recommend that this matter be tabled until the March 31 City Council meeting and be scheduled for a vote at that time.

I know there is also been some discussion about other matters such as ward School Committee members before the public. While I am certainly open to discussing this with the City Council and to having public discussion about this, it is my feeling that if we decide to go with other ballot initiatives that they should be on the municipal ballot next year. These matters are more complex and require planning and discussion. If the Council would prefer to have that discussion this year and if there is a Council desire to put that on the ballot this year I am certainly open to discussing and working with the Council on that.

Respectfully submitted,

**Part I** ADMINISTRATION OF THE GOVERNMENT

**Title IX** TAXATION

**Chapter 59** ASSESSMENT OF LOCAL TAXES

**Section 5N** REDUCTION OF PROPERTY TAX OBLIGATION OF  
VETERAN IN EXCHANGE FOR VOLUNTEER SERVICES

Section 5N. In any city or town which accepts this section, the board of selectmen of a town, or in a municipality having a town council form of government, the town council or the mayor, with the approval of the city council in a city, may establish a program to allow veterans, as defined in clause Forty-third of section 7 of chapter 4 or a spouse of a veteran in the case where the veteran is deceased or has a service-connected disability, to volunteer to provide services to that city or town. In exchange for such volunteer services, the city or town shall reduce the real property tax obligations of that veteran on the veteran's tax bills and that reduction shall be in addition to any exemption or abatement to which that person is otherwise entitled; provided, however, that person shall not receive a rate of, or be credited with, more than the current minimum wage of the commonwealth per hour for the

services provided pursuant to that reduction; and provided further, that the reduction of the real property tax bill shall not exceed \$1,500 in a given tax year. It shall be the responsibility of the city or town to maintain a record for each taxpayer including, but not limited to, the number of hours of service and the total amount by which the real property tax has been reduced and to provide a copy of that record to the assessor in order that the actual tax bill reflect the reduced rate. A copy of that record shall also be provided to the taxpayer prior to the issuance of the actual tax bill. The cities and towns shall have the power to create local rules and procedures for implementing this section in a way that is consistent with the intent of this section. Nothing in this section shall be construed to permit the reduction of workforce or otherwise replace existing staff.

The amount by which a person's property tax liability is reduced in exchange for the volunteer services shall not be considered income, wages or employment for purposes of taxation as provided in chapter 62, for the purposes of withholding taxes as provided in chapter 62B, for the purposes of workers' compensation as provided in chapter 152 or any other applicable provisions of the General Laws. While providing such volunteer services, that person shall be considered a public employee for the purposes of chapter 258 and those services shall be deemed employment for the purposes of unemployment insurance as provided in chapter 151A.

A city or town, by vote of its legislative body, subject to its charter, may adjust the exemption in this clause by: (i) allowing an approved representative for persons physically unable to provide such services to the city or town; or (ii) allowing the maximum reduction of the real property tax bill to be based on 125 volunteer service hours in a given tax year, rather than \$1,500.
