

RIVERSIDE PARK PICKLEBALL LEAGUE

RIVERSIDE PARK – HAVERHILL, MA
Summer 2023

League Overview:

This league is designed to provide pickleball players with a fun league experience consisting of round-robin and playoff formats. Participants will become a part of a 4-member team (consisting of 2 men and 2 women each) who will compete in matches against other teams every week. There will be two leagues offered: one for Beginner 2.5-3.0 rated players, and the other for Advanced 3.5-4.0 rated players. You may register as a team with people you know or register to the Free Agent Pool to be assigned to a team. Registration fees from the league will benefit scholarships for the Haverhill Summer Day Program for the youth!

SCORING/MATCHUP BREAKDOWN:

Each week, a team will play another team in a head-to-head competition consisting of 5 matches. Each team will receive 1 Match Win towards their standings for each match they win, matches will be played in the following order:

- **Match #1: Women's Doubles (Traditional Scoring)**
 - Each pair of women on each team will compete in a match, **first to 11 points (win by 2 if necessary)**.
- **Match #2: Men's Doubles (Traditional Scoring)**
 - Each pair of men on each team will compete in a match, **first to 11 points (win by 2 if necessary)**.
- **Match #3: Mixed Doubles – Game 1 (Traditional Scoring)**
 - Each team will decide two mixed doubles pairs (1 man, 1 woman) for matches #3 and #4. Each player has to play in either Match #3 or Match #4. The Team who lost Women's Doubles in Match #1 will decide which pair they want to play in this match and play against from the other team, **first to 11 points, (win by 2 if necessary)**.
- **Match #4: Mixed Doubles – Game 2 (Traditional Scoring)**
 - The remaining pair from each team who did not participate in Match #3 will compete in a match, **first to 11 points (win by 2 if necessary)**.
- **Match #5: Team Doubles (Rally Scoring)**
 - **First 5 points** → Each Team selects a mixed doubles team to play
 - **Next 5 points** → The other mixed doubles pair will play from each team
 - **This 5-point rotation will continue until one team reaches 15 total points first.**
 - Players will start on the same half of their side for the whole rotation. If your team wins the point, you will then serve.
 - If your team's score is an even number, player on the right side serves.
 - If your team's score is an odd number, player on the left side serves.

SCORING KEY

(Traditional Scoring) = Only the serving team can score points.

(Rally Scoring) = Either team can score a point off any rally.
