Explanation of Facilities ID: Show how the properties are linked to a description

Explanation Of How Zones Have Changed For Previous Bidders: All zones have changed. Highly recommend that all contractor review the new zone configuration. 6S has been changed to Zone 7.

Explanation of Specifications:

Specification list which properties are on a 10-day cycle, all others are 7-day cycle. Discuss that pending weather conditions can change the scope of mowing if need be. Example; If late fall is very dry, 7-day cycle can be changed to 10-day.

Notify the City, (Rick Kilgore), when on City mowing. You can do this with a call, text, and e-mail. Give a general location of where in the zone on that day.

Submit completed weekly sheets to Rick Kilgore. Our inspector will verify these submittals.

Describe String Trimming: **Front of Curb / Gutter to the edge of asphalt.**

Do not discharge grass into the Cities landscape areas. This is addressed in the solicitation. Mulching blades, Guards, or turn discharge away from landscaping, but not into the streets.

If an incident occurs while mowing, broken window / rocks hit a car type event, the City (Rick Kilgore) is to be notified at the time of the incident.

Safety! It is the contractor responsible to ensure that his / her employees work in a safe manner, and be equipped with the proper PPE to include Hi-visibility vest / shirts.
