

Seasonal Temporary - Laborer Job Posting

The City of Mason has a great opportunity for a Seasonal Temporary Laborer position. This position provides manual labor for the Public Works Department during the summer season. This position is under the general supervision of a Parks/Forestry/Cemetery Superintendent. The Seasonal-Temporary Laborer's job duties will consist of grounds-keeping and general maintenance of City property which may include mowing and trimming using hand and riding mowers, weed whip, and other hand and power tools.

The ideal candidate will have:

- a valid Michigan Driver's License,
- a good driving record; and
- the ability to verbally communicate with other staff and the public.

The City of Mason will compensate \$15.00 an hour for the Seasonal-Temporary Laborer.

To Apply, submit an online application, and attach your resume (**Preferred**). Visit our website at www.mason.mi.us for more information and to access the online application or to download a fillable application.
