

Parks, Recreation, and Non-Motorized Transportation Plan

Online Survey

The City of Mason is in process of updating the Park, Recreation, and Non-Motorized Transportation Plan. This plan will be used to guide the improvements and activities that occur within the City's parks and non-motorized transportation system over the next five years.

Your input is important to creating this plan because it is about serving your individual and family recreation and transportation needs. Those who contribute will help determine the future for the City's park facilities, recreation programs open spaces, and non-motorized transportation. It is important that you take this survey to be heard. Please encourage others to take the survey also, including your family members, neighbors and or community organizational members. It is important that we hear from people of all ages and backgrounds so that the plan can respond to the entire community's needs and desires.

The survey can be found at:

www.mason.mi.us → City Departments → Parks → 2019 Update

Or just scan the QR code to access the survey on your smartphone.
