PLANNING COMMISSION AND CITY COUNCIL MEETING WORKSHEET

We want you to feel prepared for the discussions we're having during the Planning Commission and City Council meeting on 3/14. Here are some questions and goals for the meeting so you can know what to expect.

Master Plan: We'll be explaining how we're adjusting the structure of the Master Plan. We want to make sure it's functional for you and easy to use.

- Do you currently use the Master Plan? When would you use the Master Plan? What would make the Master Plan more user friendly for you?

Community engagement: We need your help engaging the public and sharing the word!

- What do you need from us to get the word out?
