**DECLARATION OF LAND RESTRICTION
(NONCONVERSION AGREEMENT)**

This DECLARATION made this 28 day of Febr., 2017 by
Kevin Schmidt ("Owner") having an
address at: 160 95th Ave, Treasure Island, FL 33706

WITNESSETH:

WHEREAS, the Owner is the record owner of all that real property located at _____
160 95th Ave, Treasure Island, FL 33706

in the Election District of Pine/11as County, designated in the Tax Records as
Property Identifier Number 201601698 and
being that same property acquired by the Owner by deed dated November 30, 2012,
and recorded among the Land Records of Pine/11as County, Florida at OR Book
16 and Page No. 46.

WHEREAS, the Owner has applied for a permit to construct a structure on that property
and:

- (1) It is identified by Permit Number 201601698;
- (2) It is located in a flood hazard area identified on Flood Insurance Rate Map Panel #
12103C019AG;
- (3) It is located in Flood Zone AE-11;
- (4) It is designed to conform to the requirements of the Floodplain Management Regulations of
The City of Treasure Island and the *Florida Building Code*; and
- (5) If unauthorized improvements, modifications, alterations, or conversions are made to it in
the future, the structure could be made noncompliant by such unauthorized actions,
including such actions by future owners.

Owner: 16 _____

WHEREAS, the Owner agrees to record this DECLARATION OF LAND RESTRICTION (NONCONVERSION AGREEMENT) on the deed of the property recorded in the above-cited land records and certifies, accepts, and declares that the following covenants, conditions, and restrictions are placed on the affected property as a condition of granting the Permit, and affects rights and obligations of the Owner and shall be binding on the Owner, his heirs, personal representatives, successors, and assigns.

THE PERMITTED STRUCTURE SHALL BE DESIGNED IN ACCORDANCE WITH THE *FLORIDA BUILDING CODE* AND IS SUBJECT TO CONDITIONS as follows:

1. The structure or part thereof to which these conditions apply is:
 - An enclosure that is below an elevated building.
 - A crawl/underfloor space enclosed by perimeter walls and is more than 4 feet in height.
 - A detached accessory structure that is not elevated and that is larger than 300 square feet in area (footprint).
 - An attached garage.
2. The structure or part thereof identified in #1 shall be used solely for parking of vehicles, storage, or access to the elevated building, as applicable. See section 604.50, F.S., for the definition and limitations of nonresidential farm buildings.
3. As required by the *Florida Building Code*, the walls of the structure or part thereof identified in #1 shall be equipped with flood openings [applies in flood hazard areas designated Zone A, AE, V, VE. The flood openings shall not be blocked, covered, closed or modified in any way that would alter the intended performance to allow floodwaters to automatically enter and exit.
4. As required by the *Florida Building Code*, the walls of the structure or part thereof identified in #1 shall be designed to break away. The breakaway walls shall not be altered in any way that prevents the walls from breaking away, as designed, under flood conditions.
5. As required by the *Florida Building Code*, building materials used below the elevation required by the *Florida Building Code*, shall be flood damage-resistant materials and unfinished.
6. Any conversion, alteration, modification, improvement or change in use of the structure or part thereof identified in #1:
 - a. Shall not occur without the issuance of a permit by the local permit authority; and
 - b. Depending on the nature of work, such permit may require full compliance with the *Florida Building Code*.
7. Any conversion, alteration, modification, improvement or change in use of the structure or part thereof identified in #1 or any other variation beyond what is permitted that is not authorized by permit constitutes a violation of the Permit and the *Florida Building Code* and shall be subject to enforcement action to correct such violation.

the Florida Building Code, shall

- 7. Any conversion, alteration, modification, improvement or other work identified in #1 or any other variation beyond that identified in #1 shall constitute a violation of the Permit and the Florida Building Code.
- d. Depending on the nature of work, such permit shall not occur without the issuance of a permit.
- a. Shall not occur without the issuance of a permit.

WARNINGS

8. Unauthorized conversion, alteration, modification, improvement or change in use of the permitted structure or part there of identified in #1 may render the structure uninsurable by the National Flood Insurance Program or increase the cost for flood insurance commensurate with the increased risk.

9. Unauthorized conversion of an enclosure below the lowest floor of an elevated building for uses other than permitted uses, or the unauthorized conversion of an accessory structure for uses other than permitted uses, exposes occupants to increased risk of death and injury. The local jurisdiction issuing the Permit shall not be held liable for any increase in damage or injury to occupants.

10. Unauthorized conversion of an enclosure below the lowest floor of an elevated building for uses other than permitted uses, or the unauthorized conversion of an accessory structure for uses other than permitted uses will be prosecuted as allowed for under the Code Enforcement regulations of The City of Treasure Island.
