Regulation of Dumpsters:

- A. As used in this Section, the following term shall mean as follows: DUMPSTER: A container commonly used for the temporary storage of construction materials and debris.
- B. It shall be unlawful for any person to park, place or suffer placement of a dumpster in or upon any street, highway, roadway, designated fire lane or sidewalk in the City of Union without a permit.
- C. No dumpster described in Subsection (14) (a) shall exceed forty (40) yard capacity.
- D. Each dumpster described in Subsection (14) (a) shall have a lighted barricade on the front and back side and a copy of the approved permit.
- E. Each dumpster described in Subsection (14) (a) shall not be placed for more than ten (10) consecutive days.
- F. This Section shall not apply to the use or placement of dumpsters on property in association with ongoing construction activities carried out pursuant to a valid building permit.
- G. A permit must be applied for in the Building Department for each dumpster described in Subsection (14) (a).
- H. There is a twenty-five dollar (\$25.00) application fee for each permit.
- I. No approval will be granted for any dumpster permit unless the City Engineer determines that there are no unnecessary traffic hazards, that there is adequate clearance for parking and no parking zones.
