

APPLICATION FOR ABC REVIEW – PUBLIC HEARING INSTRUCTIONS FOR FILING

Business & Professions Code 23817.7(3)

The above referenced application requires a public hearing before the Board of Supervisors. The project applicant or their representative must be present at all public hearings to answer questions. The Yuba County Planning Department does not make project recommendations to the Board of Supervisors for ABC licenses. All project support documentation is required to be provided by the project applicant.

Applications shall be reviewed for compliance with Application Submittal Requirements and may not be accepted for processing if incomplete. All fees as listed on the adopted fee schedule must be received at the time of filing.

SUBMITTAL REQUIREMENTS

1. One (1) copy of the completed Project Application with original signatures and associated application fees.
2. Submit a copy of ABC application and any other documents from ABC.
3. Census tract number, number of allowed licenses per census tract, and number of existing licenses in census tract.
4. Justification for Board of Supervisors' consideration of "Public Convenience" or "Necessity."
